

Special Meeting

December 7, 2021

Dave Shetler, Todd Reich, Nick Beam, Becky Maurer, Sie Brock, Ron Mack, and PJ Arndts signed into the meeting.

Items before the board for the special meeting are as follows:

- A recommendation from the Ministry Commission regarding ordination for Michael (Mike) Trott. Mike is currently licensed in the Mid-Atlantic District and has completed TRIM; ordination can only happen in this circumstance when the person has received a call. Mike now meets that requirement as he has been called by the Brookville congregation to begin service in January, 2022. Commission members will be available to respond to questions.”
- Mel Smith was pastor at the Charleston congregation near Chillicothe, OH. He has contacted the district to relinquish his ordination (because he is seeking membership in the CBC).

There was not a quorum for the Zoom meeting. Therefore, the following day, Todd sent an email to the members of the board and received affirmation decisions for each of these items.
