District Board Meeting

Date: 9/9/2023 Location: Beavercreek COB

Facilitator: Mike Yingst Recorder: Susan Liller

Over \$2,000 raised for parking cars at the Darke County Fair.				
Resource Development – Sarah Friedrich				
Sarah – death of Father, not able to be here. Resource Dev. committee has met.				
The RD committee is talking about continuing generosity project with new members.				
Communication – Amy Hager				
The committee continues to define resources we require to improve communication district wide. Submitted request to 2024 budget, thinking this would be an outside consultant.				
STAFF REPORTS				
Nick Beam - Interim District Executive:				
Report is posted online. 2 nd page written from his heart and some discussion followed on this path.				
Prices Creek COB has decided to close by end of year.				
Pastor Don King was against it, but the congregation has voted to close.				
Polity: A church closing has to come to this board and then District conference votes.				
Tom moved, Mindy seconded, that we accept Prices creek's request to close by Dec 31, 2023 and				
forward this to District Conference for official action. Motion passed.				
Nick will invite a representative for Prices Creek to recognize its closing to attend district conference.				
He will also invite someone from West Alex which chose to leave the denomination in 2023.				
Nick will work with Prices Creek on the details of closing.				
Nick reviewed the slate for District Conference.				
District Bd Members: Sie (2 nd term), dottie (2 nd term), Jon Keller, Trent Smith, Rick Polhamus				
Program & Arrangements: Isaac Zika (2 nd term), Kathy Reynolds (for 1 yr of unexpired)				
Moderator-elect – Tracy Knechel Sturgis (replacing Paula to be Moderator in 2024)				
Moderator -elect – Tom Menke (Oakland) (to be Moderator in 2025)				
Help is needed at District Conference: set up, tear down, serve food, and Friday night worship				
sections (prayer, offertory, ect) Let Ty or Mary know if willing to help.				
Counting ballots is a task board members should not do: conflict of interest.				
Still need a replacement for Staci Peterson's position (who moved to different district)				
Question raised by board member:				
What is backup if District Executive is not available when someone in the District needs to talk with				
him. Who are backups for logins to website/fb etc. Who is backup for signing checks?				
At reorganization mtg, can we discuss the process of clarifying roles and backups?				
(FYI: from ByLaws:

4 a i)	Update on Bear Creek Still waiting for a closing date.
4 b)	Scott Fitzgerald – Treasurer
4 b i)	2024 District Budget Nick: FYI, Scott will present the budget, but the board will be fielding questions. Report attached. Kept self-allocations same as Prior Year despite trend going down. It's really a shot in the dark and the shortfall comes from reserves. Mack Memorial recently sold. Bear creek will be sold soon. Scott says, trend wise, he would drop the congregational giving to 40,000. Sie: I don't' think we want to lower the expectation. Tracy: we could split the difference. Expenses: Line 36 total rev, which includes other funds (BDM, women's retreat, rent) = 195,500. Salaries = 163,990 which only leaves 30,000 for rest of expenses. Office & admin: Gen fund 25,300 = office supplies, insurance, etc.
	If nothing changes, reserves will probably last another 3 years. Discussion on salary increase: consensus was to keep at AC recommendation of 5.3%
	Question was raised if budget could be amended by DC. Consensus was budget could be amended at District Conference as nothing in bylaws says it has to be accepted or rejected as a whole. This would be similar to how it's done within congregations. History book: Scott thought last year we said we were not going to continue updating the History book, but Dean has been submit hrs and being paid. If not going to update/produce the book, the resources dev would have access to these funds. Scott's question – should we continue paying the editor. We don't know if there is a real list of people who gave to this fund. Conversation: Who decides when to stop spending time on this, should we recommend to District Conference to re-
	purpose these funds, should we consider digitizing the information. Nick: Asking Mary: is there anyway we could go back in archives to look for minutes to see when the fund was created and what the details were, at some point in time. Scott: do we continue paying the editor and put it in the budget, or do we stop the editing? Mike: is now the time to stop or wait and tell him during the year instead of the end of the year? Tracy: Would it make sense to have Dean at a future meeting to discuss the future. It was decided to meet with Dean at a future Board meeting (1st or 2nd of 2024) to discuss future of history book.
	Line 55: Social Media Coordinator – should we change this title:

Date: 9/9/2023 Location: Beavercreek COBFacilitator: **Mike Yingst** Recorder: Susan Liller

Amy asked if we should ask Dave Sollenberger for suggestions.

Suggestion: Communication Development

Scott will move this item from Office & Admin to Outreach section of Budget.

Line 64, 65, 66

Approx. 58,000 is budgeted for Empowering grants

Couple of years ago we started moving unused grants to NYC grant fund. Used 13,000 for NYC in 2022 and we currently have 70,000 in NYC fund.

Empowering grants aren't being used, should we change the %, and move some of that to Camping and retreat or General fund so it is actually being used?

Question was raised on the term "Empowering Ministries Grant." Should it be Emerging ministries? Consensus: should be Empowering Emerging Ministries Grant.

Question: how can Emerging ministries grant be used if there is no instructions on how to apply for these? Need clarification from Resource Development.

Should be change the % split between GenFund and to these Special ministry funds? OR

Should the unused funds from NYC fund be moved to CRM?

Discussion: using the % method to prevent possible bias in use of leftover

Amendment: Dennis moved, Amy 2nd to amend the presented budget with these changes:

Change % of annual amount taken from investments, the allocation should change:

From 40% to 25% for Empowering Congregations Grants

From 20% to 15% for Empowering Leadership Grants

From 20% to 15% for Empowering Emerging Ministries Grants

From 20% to 25% for Existing ministries (general fund)

From 0% to 20% for Camping and Retreat ministries fund

Amendment passed.

Question about Brethren heritage center:

Is that in the budget? Yes, included in District ministries support line.

Line 72 Bear creek expense will be going 0.

Bear creek income

Line 83,84 96 & 97, will change for revised percentages above.

Future discussion: Should/can we make camping and retreat part of main budget instead of separate budget?

Thought was it is good to have the separate information.

District Board Meeting

Date: 9/9/2023 Location: Beavercreek COB

Facilitator: Mike Yingst Recorder: Susan Liller

	Since we are changing the %s, a pre-conference zoom budget meeting (only one) would be helpful.
	If CRM negative net expenses are questioned, bring up that expenses in general are up and camp is growing evidenced by needing to split campers into 2 separate camps.
	Tom moved, Dennis seconded approving the budget with above % amendment and changes (Bear creek lines 30, 72, lines 83, 84, 96, 97)
	Discussion:
	Phil asked how we answer questions about our ongoing expenses over income. Perhaps eventually use part of principal of Nature Conservancy funds (nearly \$1.5 million) or merge with districts.
	Why not use some of these funds for Camping and Retreat since funds came from selling the camp?
	Vote on Tom's motion to accept budget with above % amendment and changes: Motion passed.

	Opened up time of discussion about the 2 listening sessions.
	40 at New Carlisle COB, 50 or more at BRC
	At this time, we are not going to recommend a 2/3 vote, but if someone at DC brings a motion to have
	a 2/3 vote, we would entertain that.
	Ty: the topic is: Is it time, yes or no, to rescind this 1983 paper?
	Tracy: in more general terms, is it okay for us to disagree with each other? Rescinding would allow different opinions in diff congregations – allow us to disagree?
	Glenn T: we don't know how to talk about this issue and fear we will fall apart if we do talk about it.
	Nick: we are not allowed to amend the query (as far as our current understanding of the process)
	Glenn T: The best ideas come from the ground up. Regardless of the future of the query, I would like
	to see this body (the board or a commission) deal with this sexuality issue the same as it is dealing with the issue of racial justice – but we are not dealing with the issue.
	Laura: We're all wrong in something, so let's love each other and move on.
	Mike Y: Which is more important: being right or being in relationship?
	Question: Who is presenting this query at District Conference?
	Response: someone from Living Peace (probably Bruce Rosenberger)
	Won't need a 2 nd since coming from the board.
	After it is presented, there will be discussion.
	Then a paper ballot vote.
	Fred Bernhard will probably be our parliamentarian.
7)	Question: How will West Alex funds be used? (from leaving the district/denom)
,	Put in fund with rest of closing/sold congregations or set aside for other use?
	Nick had mentioned using this to help fund the East Dayton's Director of East Dayton Community
	Development.
	Combined answer from Mary and Nick: We don't have the funds yet, but this could be decided by
	the board at Nov. reorganizational mtg.
	Leasting of New Agreements
	Location of Nov 4 reorg mtg.
	Becky Maur will ask if BRC is available.
	Tom moved to adjourned.
	Every one agreed by consensus.

Several Eye Doctor appointments and Cataract Surgery on Aug. 29 – took a few days off after that to recover; next Surgery on Sept. 12 followed by a few more follow-up Appointments A big part of my job is listening to people with differing viewpoints on issues. There are good, faithful people on either side. God bless them all, and far be it from me to tell them they are wrong. I truly appreciate and value everyone in the district and am thankful for all the ways they serve God and the church based on their understanding of scripture. I do have my own opinions and understandings and sometimes they might creep into my words, both oral and spoken. If they do and you find it offensive please accept my apologies. We are at a critical time in the district and the denomination. Decisions will be made that will cause even more division and dissension. So what is my role in all of this? There will be those on either side, who no matter what I say or do, will disagree. Can we agree to disagree? That doesn't seem to be the preferred option at this point. Do we wish one another well as we go our separate ways? That doesn't feel very good either. There are many stories in scripture and in our personal lives when God's timing and ours don't match up.

Camping and Retreat Report September 2023

I am so blessed to be doing this work. When I stop to think about what I am doing I get a deep sense of joy and gratitude. For that, thank you for allowing me to do this work.

On July 30 we had our second district picnic, there were about 45 people in attendance. Thank you to Dennis and Tammy Delk for pizza and ice cream. It was well received. Thank you also to Todd for leading vespers. Thank you also to the Oakland Youth for letting us borrow the corn hole, giant jenga, and giant connect 4.

August 8-11 was Quilt Camp at Bergamo. We had 22 attendees. Everyone had fun fellowshipping, quilting, and sewing. New friendships were made, long time friendships were strengthened, projects were completed or started or are closer to being finished. The presence of God was felt by all in the laughter shared and in the deep conversations and sharing that happened in the midst of quilting.

Women's Retreat is coming up September 29 and 30. Speakers/leaders on the theme of "Being the Hands and Feet of God" are Kathy Reynolds, Peggy Miller, Helen Wolf, and Jan Futrell.

The next Camp Ambassadors meeting is October 15, 2pm at Salem CoB.

Cookie Camp plans are underway. Cookie Camp will be held at Salem CoB on Dec 1 and 2. Cookie makers, tasters, and boxers are needed to make Cookie Camp a success. Proceeds go to offset the cost of the 2 Winter Blast Weekends.

Winter Blast weekends are Jan 12 and 13 for Elementary school age children with an adult and Jan 19 and 20 for junior high and high school students with counselors.

New! There will be a day camp retreat for quilters on February 8, 9, and 10 from 9am-4pm everyday at Happy Corner CoB. Quilters can bring their current projects to work on in the midst of fellowship. Devotions will be offered each day.

Camp curriculum for next summer has been purchased. The theme is Linked by Love. We know that love comes from God, and sometimes we experience it directly. More often, God's love in manifest in relationships of all kinds that weave in and out of our lives. We see God's love in close friends and family – those we are born into and those we chose along the way. We see God in quiet moments where we are present with each other and in acts of profound grace when we have been far apart. We hear God in life guiding and life changing words of truth from those who know and love us. We know that such love links our lives, teaching us about commitment, intimacy, grace, and faith. As we seek to create and strengthen life giving relationships, we remember that such love flows from God, links us all together, and we give thanks.

Dates for next year are:

Camp set up at Cricket Holler: June 5

Adult/child Camp: June 6-9

Sewing and crafting day Camp: June 10-13, 9-4 daily

Junior Discovery Camp: June 16-18

Junior Creative Arts (3rd-6th grade) June 16-22

Senior Creative Arts (7th-12th) June 23-29

There will be a SOKD youth BDM trip July 21-27.

Quilt Camp at Bergamo is August 5-8. Women's Retreat is September 20-21.

District picnics have not yet been scheduled.

Family Camp is being reconsidered for dates other than June. Lee Saylor and Trent Smith are on the planning committee and I will have more info after our meeting on Sept. 14. I am also weighing dates for a snowman painting event. This will just be a fun day event. I plan on attending the OMA Retreat at Camp Eder in Pennsylvania Nov. 12-16. I will be ordained on Sept 10.

Your prayers and support are vital to the continued success of Camping and Retreat Ministries. Thank you for all of them as we finish out this year and look forward to next year.

Respectfully submitted, Carrie Drees

Director of Communications Report

September 8, 2023

As always, I would like to express my appreciation to all of you and my gratitude to God for the opportunity to serve the Southern Ohio/Kentucky District Church of the Brethren. I see this ministry as one of my greatest blessings. I especially appreciate the ability to take some time for family as I have needed to do over the past few days with my brother-in-law's illness and passing. The visitation will be Sunday and his celebration of life will be Monday.

- —The falll, 2023 issue of "Together" magazine is at the printer. Time to begin working on the spring, 2024 issue.
- —Most of my time and attention is now dedicated to our 2023 District conference. Plans are coming together and registrations are coming in. In upcoming weeks, I will be communicating with Program and Arrangements and the BRC to print needed documents and put delegate packets together as well as making final arrangements for conference.
- —I continue to work with the Communications Commission to look at ways to improve communication within the district. I had a very helpful zoom conversation with the denominational staff that takes care of communications for the denomination. From that conversation, we will continue to look at ways to improve communications.
- —As I state in almost every report, much of what I do is repetitive and routine, such as the usual tasks of collecting mail, processing deposits, monthly newsletter and bulletin inserts, etc.

I'm still so very grateful for the opportunity to serve Southern Ohio and Kentucky and look forward to new opportunities to be used by God in this ministry!!!!

Respectfully,
Mary Boone,
Director of Communications,
Southern Ohio/Kentucky District Church of the Brethren
